## OCTOBER HOTIES

Dear 40Something,

The Oct. '14 (SP271) issue of 40Something was nearly perfect as nearly all content was excellent. The DVD review of *Cougar Creamsicles 3* got the issue off to a smoking start and features some of my favorite MILFs: Angie Noir, Charli Shay, Summer and big-assed Stacie Starr.

Other XXX highlights included the return of Niki in hardcore action. This small fuck-toy has great tits and looks great with cock in her mouth and pussy, and she looks even better with her face covered with cum. Farrah is the combination of sexy and slutty, and the photos of her sucking cock then having cock balls deep in both her pussy and asshole were awesome. The ending photo with her tongue, lips and big tits covered with cum was hot and nasty! My favorite XXX was of Marisa and her wonderful Spanish body. Her big tits are made to grab, squeeze, suck and fuck, and she looked great sucking cock. I really love the way she takes cock in her pussy and asshole.

A big welcome goes to Gina West and her toned, flexible body. Gina has nice tits, an edible pussy and beautiful ass. I love when she tells of loving the taste of cum and how it turns her on to have cum loads down her throat. It's

even better when she says that she licks up every last drop! Tori Dean looks better than ever with her mature, sexy body. I love her big tits, but what got my cock throbbing was the photo on page 61 of her bent over, spreading her pussy and asshole open. That pose is perfect to devour both pussy and asshole with my tongue.

Cara Reid is a grade-A find with a body that looks half her age. The tan lines make her big, firm tits look even better, and the black garter stockings are the perfect complement to her pussy and ass. The photos on page 49 and the centerfold show her in the perfect position for me to shove my tongue in her pussy and asshole, lubing them for my cock to explore them!

I want more of Vivian Piper. The sooner, the better. I enjoyed the interview, especially reading that she adores black men. She is gorgeous with a smile that says "Fuck me", and her tits are flawless. Next time you feature her, I hope it's with sucking and fucking involved. Or, if solo, then completely nude. The crotchless panties were nice, but they prevent fans from fully enjoying the beauty of her pussy and asshole. I'm sure others will agree that she should be allowed to show her hot spots unblocked.

For me, the winner for this issue was

Cara Reid may be one of our hottest models ever.

the voluptuous Annellise. Her body would be the perfect sexual playground. I can think of several ways to use those DDD-cup tits and long, hard nipples. I would love to eat her pussy until I'm drowning in her squirt juice. Of course I would have to bury my face between those meaty asscheeks of hers. Black men refer to a body like Annellise's as being thick, and I can imagine sucking and fucking her all day and night. If my cock became spent, then I would use my oral skills all over

Farrah knows how to look sexy taking cock in every which way.

that sexy body. I hope to see more of her in the future and hope any solo pictorials are more explicit. I would really love to see photos of Annellise sucking and fucking!—W.V., Durham, North Carolina

### AMAZING ANNELLISE

Dear *40Something*,

One of your clever and successful marketing techniques to boost sales is to feature one stunning model first in *SCORE* and then have the other photos of her right quick in *40Something*. I have enjoyed this over the years, and did so again with Annellise Croft in the *40Something* Oct. '14 (SP271) issue.

One of her better views is on page 19. I like how she is sitting down but with her skirt pulled up as far as it goes. This provides an incredible look at Ann's legs and thighs from her feet up to her crotch. I have often written about how much fun it is to see up a doll's skirt or dress. This picture explicitly shows off exactly what I mean. (Having Annellise squeeze her left jug sure helps the picture also!)

Her opening pic on page 18 would be a wonderful introduction to those who had never seen Miss Croft before. Great blonde, nice face, big tits. I would have liked this pose better had

This is how Annellise offers up her tits for a big load of cum.

#### THIS IS ADULT MATERIAL

All of the performers/models, and all of the characters that they portray, were over 18 years of age at the time of the photography. The content is inappropriate for minors, and appropriate care should be taken to ensure that it is not viewed by anyone under 18 years of age.

much more of her crossed legs been shown. That would have provided more of Ann to lust over while jacking off. Of course, that would have reduced the rest of her body in the picture, but I would have happily made that trade.

She got down to serious porno on page 20. Laying back and moving her panty away to reveal a lovely pink cunt. Ann's thighs, triple-Ds and golden locks all join with her cunt to make this a darling, dirty photo.

All three shots off Ann on top of page 21 removing unneeded clothing are both cute and sexy. I tend to favor the one on the right the best. Since most women cannot or will not hold up their melons for everyone to enjoy.

Annellise's spread is so awesome it outshines Cara Reid's centerfold. You provided a longer view of Ann that shows everything off. Especially those twin torpedoes in front with nipples that stick out. This photo was expertly conceived and posed. Thank you so much for these new photos of Annellise Croft. She is a great MILF.—B.S., Chicago, Illinois

### DISAPPOINTED READER

Dear *40Something*,

Upon buying the latest issue for *40Something* (SP268) I was extremely disappointed with the overall issue. To begin with, there were way too many advertisements of your DVDs and video outtakes of the scenes. We're paying to see the women featured in the magazines. If you're going to

One reader was not happy with Cheyanne's droopy boobs.

advertise, make a separate catalog.

I also noticed a model named Cheyanne. There is no way she is 52 years of age. Furthermore, her chest is too saggy. She had her boobs done recently so why are you showing a before photo of her saggy tits?

Lastly, in the magazine there is a so-called Hot Body Contest.

The models in the contest are not good. We all know there are and have been

much better women with much hotter bodies than the one in the contest. Surely you editors can and must do a better job with upgrading *40Something* magazine.—Anonymous

Dear *Anonymous*,

We're sorry you were disappointed with the SP268 issue. As for Cheyanne, she really was 52 at the time we shot her. We always put models' real ages, and we check their identification. If you did not like any of the models in the Hot Body Contest, feel free to suggest models who you would like to see, and we will be happy to consider them for a future contest.

### FUZZY MILFS

Dear *40Something*,

On the subject of hairless twats or having a fur pie, I lean on the side of a nice, trimmed bush. To me, shaved slits are trying to recapture youth that has gone by. A nice trimmed bush around a slit states to me that the woman is mature and experienced at sex. A case in point is Karen Kougar's lovely red landing strip. Soleil's lovely trimmed wishbone patch surrounding her slit. Rita and Sally sporting little fur on their well-serviced slits. Plus a messy cum-covered bush is my favorite way to end a good fuck.—B.C., New Egypt, New Jersey

# HOT BODY CONTEST RESULTS!

The winner by a landslide is Karen Kougar. She got a whopping 50 percent of the votes. Laura Layne is in second place coming in with 22 percent of the votes, and Holly Claus is in third place with 17 percent. If there's anything this contest has shown us, it's that readers love big-titted MILFs!

### MATURE IS BEST

Dear 40Something,

I've been jacking to your mag for a couple of years now and have always found it interesting to read what turns on your other readers. So I thought I'd write a note of my own.

I've come to think mature women are much more erotic than younger women. I love the look of experience in their eyes, and the gentle sag or wrin-

kles in their faces and bodies only make them hotter. They are real women, and seeing them show off their pussies, tits and asses—or take a dicks in their mouths—is a big turn-on.

I love it when a photo spread begins with the lady dressed nicely in a skirt and blouse, and she's smiling at the camera. It makes for a great contrast when, a page or two later, she is spreading her pussy for us or sticking her ass in the air. I often flip back and forth between those types of shots when I'm getting ready to blast off. I recall the first appearances of Diandra and Desiree Dalton beginning this way. Both unbelievably hot ladies, whether nicely dressed or spreading their legs wide for 40Something readers.

I absolutely love the sight of stockings, with or without garters, on a woman's legs. An example was Soleil in SP268 as she got fucked by a well-hung stud. In the same issue, Val Kambel looked great in her stockings, pink panties and polka-dot bra. I hope we see more of her soon (loved the shot of her posed with a vacuum cleaner, by the way). Stockings do something magical to any woman's legs.

And it always turns me on when the text accompanying a photo spread quotes the lady as saying she's looking

*continued on page 19*

MILFs in stockings (like Brittany Snow here) drive readers wild. Our guys seem to love seeing hosiery and garter belts.

## MILF FUCK SHOW

### 6 MILFS LOVE TO BE WATCHED

If there is one common theme among our models, it's that they all loved to be watched having sex—for your pleasure and for theirs. These MILFs are putting on one helluva show so you can pump your cock while they get their pussies pumped by studs. Everyone wins. Some of them, like Yasmine Beale and Jade Steele, have big tits. Others, like Kacee Harley and Shemain Ravene, have modest handfuls. But they all have horny pussies that they love to have fucked on-camera. They're moms, wives and divorcees. Many of them work day jobs. Now they can add porn star to their list of accomplishments.

## Jade Steele, 43

When this scene opens, sexy, exotic 43-year-old MILF Jade Steele is with JMac. He offers her a drink, but what she wants is his cock. The drink can come later, and it does when Jade drinks his cum out of the glass. Yes, that's what Jade does. She drinks Jmac's cum from the champagne flute.

**S**hemain, a 47-year-old mother from Florida, does webcamming on the side and figured doing porn was the next logical step. "I like getting guys off. You can only masturbate on-camera so much. Eventually you want something real." Here, Shemain gets the real thing. Real cock. It's her first video sex scene. This is also Yasmine's first hardcore video. She's married and the mother of four. She's not a nudist or a swinger, but she does have a pierced clit. She's just a horny woman who walked into our studio looking for a new adventure. And that meant fucking a young guy and taking his cum.

**T**hick-chick lovers will go crazy for Kacee. She's a wife and first-timer from Missouri with a nice, big, 42-inch ass. She has perky tits. She has a pretty face that her stud blasts with his seed. Next, in her first video fuck, 42-year-old mom Vivian Piper takes a cock so far down her throat, she gags on it. She gets it sticky-wet with her BJ juices and takes it all the way down her throat again. It's an impressive debut for this busty brunette from California. The sex that follows is just as hot. Brandi is a married stripper also making her video debut. She lies back so our stud can feed her his cock. Then he fucks her shaved pussy, and then she opens her mouth for cum.

## A GENUINE SLUT

Dear 40Something,

Vivian Piper is a great MILF. I love her pale skin, dark hair and piercing blue eyes. She's a looker, and she's a fuckin' freak, too! It sounds like this woman genuinely loves to get fucked like a slut. I can appreciate that. If she were to pick me up at a bar I would have the biggest, stupidest grin on my face. I'd barely be able to contain my boner! I enjoyed looking at her, and I also found her interview very entertaining. The photo of her pussy sticking out of her crotchless panties on page 38 made my dick tingle. It made me want to get on my knees and suck on that pink flower. Sadly, those panties obstructed the view of her asshole, which I would have loved to see. When you feature her again please show her fully nude so I can see and appreciate every inch of her amazing body. Anyway, I can't wait to see her in XXX

"I like sliding anal beads into my ass when I'm fucking. I get a real rush with a cock in my pussy and beads in my ass."

Brandi, a 43-year-old from San Diego, California, calls herself the wildest mom in the neighborhood. A mother of two, Brandi is originally from Texas, and like everything else in the Lone Star State, her sexual appetite comes bigger than most. "My husband and I are like bunnies," she said. "We still fuck everyday when he's in town, but he's often away on business. So when he's gone, I have a few fuck buddies I call up when my pussy starts to tingle. We're in the lifestyle, so I often tape myself with them so my hubby and I can watch later."

You may be wondering why Brandi is here shooting with us if she has such an active sex life. We certainly did. "What girl doesn't dream about posing in front of a camera and being a model?" Brandi responded. That's good enough for us. But, of course, there's more to it than that. Brandi believes that no matter what her age is, a girl should always have fun. For Brandi and her hubby, there isn't anything more fun than him watching her get fucked by a new guy with a huge cock. "I can't wait for him to see my pictures. The home videos were fun, but being in a professional studio is new territory. We're both so excited for this experience."

"I love being tied down," Brandi said. "I just want to be ravished. I like a man that can take charge and really give it to me. I'm a big dirty talker when I fuck, too. So if you aren't fucking me hard enough I'll just shout, 'Fuck this pussy harder! Fuck me like you mean it!' It catches guys by surprise sometimes, but it usually motivates them."

I've had a few threesomes as well. I love those. One was with a much-younger girl—I think she was about 22—and a guy who was about 30. She had never eaten pussy before, so I taught her how to lick mine while the guy fucked her from behind. She said she had never cum so hard before in her life. She loves pussy now, too."

The photo to the left perfectly illustrates why that 22-year-old girl developed a taste for pussy after eating Brandi out. Her pussy is pink and juicy, her lips are meaty, and Brandi has a clit made for licking and teasing. It's the type of pussy we'd love to bury our faces in, and call it our personal pie-eating contest. Brandi thinks it's better to give than it is to receive, though. She takes pride in her cock-sucking skills and says she's always trying new things. "Every man is different, so I like to experiment when I give head," she said. "I'll suck on just the head and then deep-throat. I'll try sucking on your balls—all that. And based on the guy's reaction, I'll focus on that area in particular."

# The 40Something® Interview

## Cammille

**This married MILF shares her pussy with other men!**

Cammille Austin is the type of gal who gets our blood flowing to all of the right places. At a vivacious 56, it appears she's only just hitting her sexual prime and she—with the full support of her husband—is indulging her deepest urges with childlike delight. Hailing from Arkansas, our new favorite Southern belle dishes on her first hardcore scene (a threesome with two hung studs), her taste for black cock, her piercings and the eight well-endowed presents she received as a wedding gift.

*"I don't think  
you could call  
us swingers.  
The rule at our  
house is that

but I don't  
share him."*

**40SOMETHING:** How are you? Can you tell us a little bit about your day in the 40Something studio?

**CAMMILLE:** Well, I did a shoot today with two great guys. We did anal and vaginal, and it was just wonderful.

**40SOMETHING:** That was your first time

doing anal on-camera, right?

**CAMMILLE:** Yeah, it was. It was better than I even imagined.

**40SOMETHING:** Is this the first time you've modeled professionally?

**CAMMILLE:** That's right. I've done some home videos and things like that, but

never in a professional studio like this.

**40SOMETHING:** So what made you take the jump to shoot with us?

**CAMMILLE:** It's exciting. And I'd have to say it makes my sex life with my husband more exciting, too. He loves it. He loves to watch.

# The 40Something Interview

**40SOMETHING:** So what influenced you to begin making home videos?

**CAMMILLE:** Actually, it was my husband. We just started experimenting in the bedroom. It started with pictures, and then we moved on to videos. We would call up some of his friends, and he would tape us while we had sex. We really enjoyed it and just kept on doing it.

**40SOMETHING:** So this is like the next level for you. How is this different from doing it at home?

**CAMMILLE:** [Laughs] It's actually a lot more nerve-racking. It's way more involved and harder than I thought it would be, but everyone has been absolutely wonderful to me.

**40SOMETHING:** How were the guys that you shot with today?

**CAMMILLE:** Wow. They were just phenomenal. I can't say enough about them. They were professional, helpful and guided me. Most importantly, they felt wonderful. They tasted wonderful. It was just a great day. I hope they had a good time, too.

**40SOMETHING:** We're sure they did. So tell us a little bit more about yourself.

**CAMMILLE:** Well, I'm from Arkansas, and it's a very conservative area. I guess we're classified as the "Bible Belt." It's a small community, so if people at home saw me here they would be shocked. Very shocked. [Laughs]

**40SOMETHING:** Do you know anyone else from your town who's done something like this before?

# The 40Something Interview

**CAMMILLE:** I don't think so. Someone always has to go first, so why not me?

**40SOMETHING:** What's your occupation back home?

**CAMMILLE:** I'm a surgical nurse. I actually work in the operating room with my husband.

**40SOMETHING:** Oh, what's that like?

**CAMMILLE:** Most days, it's really good.

**40SOMETHING:** Does the sexy nurse fantasy ever come up? That's one of our readers' most-popular fantasies.

**CAMMILLE:** Really? That's just a different part of our lives, so we keep those separated. I guess I understand the fantasy aspect of it, though. Nurses do nurture and take care of you.

**40SOMETHING:** So you're a surgical nurse and you live in Arkansas, which is very conservative. Does that mean there are no swingers clubs there?

# The 40Something Interview

**CAMMILLE:** Not that I know of. There isn't a swinging community there.

**40SOMETHING:** Do you and your husband consider yourselves swingers?

**CAMMILLE:** No, I don't think you could call us swingers. The rule at our house is that he shares me, but I don't share him. He's stuck with me. [Laughs]

**40SOMETHING:** How does he feel about the arrangement?

**CAMMILLE:** He is totally supportive of it. He loves that I'm doing this. He loves to watch, and like I've said, it makes our sex so much better, too.

**40SOMETHING:** So how do you guys go about it with you having sex with other guys? Are they friends of yours, or do you meet them out at bars?

**CAMMILLE:** They're always friends or people we know through friends. I never go out and just pick up strangers. We've made several good friends and traveled to Philadelphia and met up with friends there. In fact, on our wedding night, I had sex with eight guys. That was my wedding present! [Laughs]

**40SOMETHING:** Wow. So you basically got eight presents. Tell us more about yourself. Do you have any hobbies?

**CAMMILLE:** I love motorcycles. I ride a Harley Davidson Fat Boy, and my husband rides a Chopper. We go on long bike rides with friends. It's an incredible feeling to just hop on your bike and go for a ride. Other than that, I just enjoy spending time with my family and the kids. I'm an outdoorsy type, too. I love to camp and be out in nature.

**40SOME-**

**THING:**

What are you into sexually?

**CAMMILLE:** Pretty much everything. I just love everything about sex whether it's blow

jobs, vaginal or anal. I love having sex with black guys. They're just amazing. I think sex is just one of the greatest things you can do in life.

**40SOMETHING:** So when you're having sex, do you prefer it to be rough or do you like it soft?

**CAMMILLE:** It really kind of varies. It depends on my mood. Sometimes I really like it slow and sensual to where you can really connect with that person. Other times, I like it fast, hard and rough. I love having my ass slapped and my nipples pinched. I don't want it too hard to where you leave marks, but I love having my ass slapped.

**40SOMETHING:** And you love oral sex?

**CAMMILLE:** I love giving blow jobs. I love swallowing cum. It tastes so good.

**40SOMETHING:** What about receiving?

**CAMMILLE:** That's just great pleasure for me. I have some enhancements that make eating my pussy very, very sensual. I have some piercings down there.

**40SOMETHING:** Oh, really? Can we get a peek?

**CAMMILLE:** Sure! [She pulls her panties to the side and spreads her pussy]

**40SOMETHING:** Tell us about your pussy piercings.

**CAMMILLE:** Well, I have one that's horizontal and one that's vertical and they cross at my clitoris.

There's a nerve that runs through there, so it doesn't actually go through the clitoris, but it goes through the hood.

**40SOMETHING:** How long

have you had these piercings?

**CAMMILLE:** About

*"I love giving blow jobs, and I love swallowing cum. It tastes so good."*

seven or eight years.

**40SOMETHING:** Do you have any other piercings?

**CAMMILLE:** Yeah, I have my nipples pierced, too. [She pulls her top down and flicks her nipples]

**40SOMETHING:** Do those make your nipples more sensitive?

**CAMMILLE:** They definitely increase the sensitivity in the nipples. My nipples are basically erect all the time, and if you pull on them, it just feels so good.

**40SOMETHING:** That's hot. What else do you have pierced?

**CAMMILLE:** I have my tongue pierced and I also have some microdermal piercings on each side. [She takes her dress off, revealing her piercings on both of her hips]

**40SOMETHING:** How do you feel about being naked? Do you like nude beaches and things like that?

**CAMMILLE:** I'm okay with being naked. My husband and I visit a nude beach in Jamaica from time to time.

**40SOMETHING:** Do people ask about your piercings when you're nude?

**CAMMILLE:** Yes, all the time. I get stopped and people will ask if the piercings hurt and what it feels like. Most women think it hurts, but I think it feels great.

**40SOMETHING:** Are you thinking about getting pierced anywhere else?

**CAMMILLE:** Well, I'm considering getting some more microdermal piercings. I'm considering getting some on the back of my neck.

**40SOMETHING:** Which of your piercings would you say is your favorite?

**CAMMILLE:** Definitely the pussy piercings. They make sex feel so much better. It's wild.

**40SOMETHING:** How should a guy touch your piercings to turn you on?

**CAMMILLE:** With the pussy piercings, you just have to rub them. And that pretty much gets me going. With my nipples, you just need to pinch them a bit. The best part is when I'm with multiple partners because they both can play with my nipples at the same time. It's a lot of fun.

**40SOMETHING:** Do you have any last words for us before we let you go?

**CAMMILLE:** It's just been a wonderful day and experience. I've loved every second of it and I love sex.

"What's my favorite thing in the world? A hung, young man with a throbbing hard cock deep inside of me."

Say hello to Gabriella Lamay. She's a 60-year-old GILF (Grandmother I'd Like to Fuck) with a passion for volunteering, reading and gardening. Oh, and one more thing... she also has a passion for sex! Some women grow more modest when they reach a certain age, but not Gabriella. Among other pursuits, she's a nudist who wants to be naked as often as possible. "It's something I got into fairly recently," she said. "I don't know exactly what it is, I just know I get turned on by being naked in front of other people."

Gabriella says she prefers tall, dark, handsome and assertive men. She's a woman who knows what she wants, and what she wants is to submit to—and be dominated by—a strong man. "I love being spanked and tied up," Gabriella said. "I just want a man to pin me down and have his way with me. Make me beg for more. I think I'm a simple woman to please." We have a stable of hung cocks men capable of making this cum-hungry GILF beg for more. But today, watching her play solo is enough to get us off.

In addition to being a nudist, Gabriella enjoys the swinging lifestyle, and her wildest sexual experience came just a few years ago when she was fucked by five guys in a wild gang bang. "It was incredible," she said. "There was never a moment when I didn't have a cock in

both my mouth and pussy. I had never been pounded like that before." Gabriella isn't ready to stop there, though. "I always like to push my limits and try new and crazier things. I think my ultimate sexual fantasy would be to be the subject of a 10-man bukkake."

Fucking on-camera is yet another way Gabriella decided to push her limits. For her, it felt natural going from being a nudist, to a swinger taking part in wild orgies, to fucking for *40Something*. Gabriella had previously dabbled in her own raunchy home videos, but shooting with us and knowing that men all over the globe are getting off to

her was something she couldn't pass up. "My partner found your website and sent me the link," she said. "Fucking on-camera is maybe the ultimate high. There's just something about knowing men are getting off to me fucking that gets me hot and my pussy soaking wet." Look for Gabriella's first hardcore pictorial coming soon.

# Honey

58  
YEARS OLD

Birthday: September 23 Height: 5'7"  
Weight: 136 lbs. Lives: South Florida  
Status: Married Occupation: Executive secretary

"When it comes to cocks, the more, the merrier. Being fed cock keeps me happy."

The last time we saw Honey, she was sharing a big black cock with Robin Pachino in SP240. This time, Honey gets two dicks all to herself! "I shot a three-way with Robin and that hot black stud. Then I did a fourway with Robin and two men. Now it's my turn to show you that I can handle two men at once, all on my own!" To refresh your memory, Honey is married. She's a mother and grandmother who lives in Florida. She's not a pornstar; she's actually an executive secretary. Now at 58, (she was 53 when we first shot her), she looks better than ever. "I hope you'll have me back when I'm 60. I don't see my libido slowing down any time soon. In fact, it keeps getting higher and higher. I can't get enough sex!"

Honey says one of the best compliments she's ever received is that she gives great blow jobs. "I take great pride in my work!" she said. It shows in this scene.

Honey moans as she sucks each cock, making sure to gently jack the one that isn't in her mouth. She takes those cocks as far down her throat as she can get them, and passionately keeps her lips wrapped around them while making plenty of eye contact. "I wanted to make sure no one was left out. I did my best to give my full attention to both cocks, and I think I succeeded in that. I was happy to suck them off, but I was so anxious to finally get fucked so I could feel both cocks inside of me at once. Finally, at the moment of truth, when that first cock slid into me, I was in heaven! I felt my pussy convulse right away."

"I'm a giver and a pleaser, so I love making people feel good." Honey certainly gave her all in this scene, and we're sure all the people here were feeling good. And you know who else will feel good about this scene? Her husband. He loves to watch her fuck other men, and always watches her videos. "I've watched all my videos with my husband. I get a little self-conscious about it, but he just loves it. We'll probably have some really hot sex after watching this scene. He tries to get me to moan as loud as I do in the video we're watching."

40Something®  
FEBRUARY 2015  
**Honey Ray**

Honey thoroughly enjoyed her double dicking and reveled in being the star of this fuck show. She never missed a beat while trading off between sucking and fucking these two guys, and her enthusiasm was at 10 the whole time. "I had a bunch of good orgasms fucking those two guys. It was a very hot experience being able to please both of them." Honey says that she wants to be the meat in a cock sandwich more often, and will pursue more threesomes with two men. "Or maybe even gangbangs with me as the only woman! Having those two loads to myself was intoxicating. I can only imagine what it'd be like to have several loads of cum."

**"Blindfolding someone is a great way to heighten their physical sensations."**

"I have an idea," big-titted, 50-year-old Rachel Steele tells her guy. "Want to try something a little bit different?" Rachel is wearing a blue dress. Her body, especially her big tits and long legs, looks good in her sexy outfit. And she and her guy are already going at it, so...next thing we know, she's blindfolding him. "So, with one of your senses gone, the other senses are going to be heightened," Rachel explains. "A lot! Trust me. You're going to love it." Now, the fact is, guys are a lot more trusting when they have hard-ons. But there's no reason not to trust Rachel. She's into giving pleasure as much as she's into getting it, and rather than stealing his credit card and running out of the room to go shopping as some younger women might do, Rachel just wants to suck and fuck his cock.

Rachel has the kind of face that lets you know she's going to give you one helluva fuck. Of course, this guy can't see it. But he doesn't need to. He can feel it as Rachel writhes and bounces on his cock, squeezing her pussy around his shaft and letting her juices drip down to his balls. "Blindfolding is one of my favorite techniques. I love to do it to men and have it done to me. When you're blindfolded you're sort of at the mercy of the other person. You never know what's going to come next, and that makes you anticipate things even more."

Rachel says some of her hottest sexual encounters have been a hand job under a restaurant table and sex in a coat room at a restaurant in Boston. "There's something about women my age and having sex in public. While the possibility of getting caught is part of the thrill, I also like the idea that I'm fooling around with

someone in a public place, and the people in the vicinity are completely unaware that some form of sex is going on mere feet away from them. It's a hot, naughty, little secret." Of course, everyone knows when someone is fucking in our studio, but it's still just as hot because we can actually see her dirty, little secret.

With this guy blindfolded, Rachel is in charge of the show. "Fuck that pussy," she commands while straddling him. She turns around in reverse cowgirl so he can drill her cunt some more while the camera gets a full shot of her big tits bouncing up and down. Rachel then guides him up to pound her in doggie-style, spreading her ass cheeks so he can get deep in there. Watching this scene (see it on [50PlusMILFs.com](http://50PlusMILFs.com)) you can almost feel the pleasure that Rachel and her boy toy are experiencing. After more pounding and dirty talk, Rachel jerks him off onto her tongue. "I have my mouth open," she says as he sprays a load all over her hungry mouth.

"I had a 22-year-old as my regular boy toy for over a year. I was in many threesomes with him and my hubby."

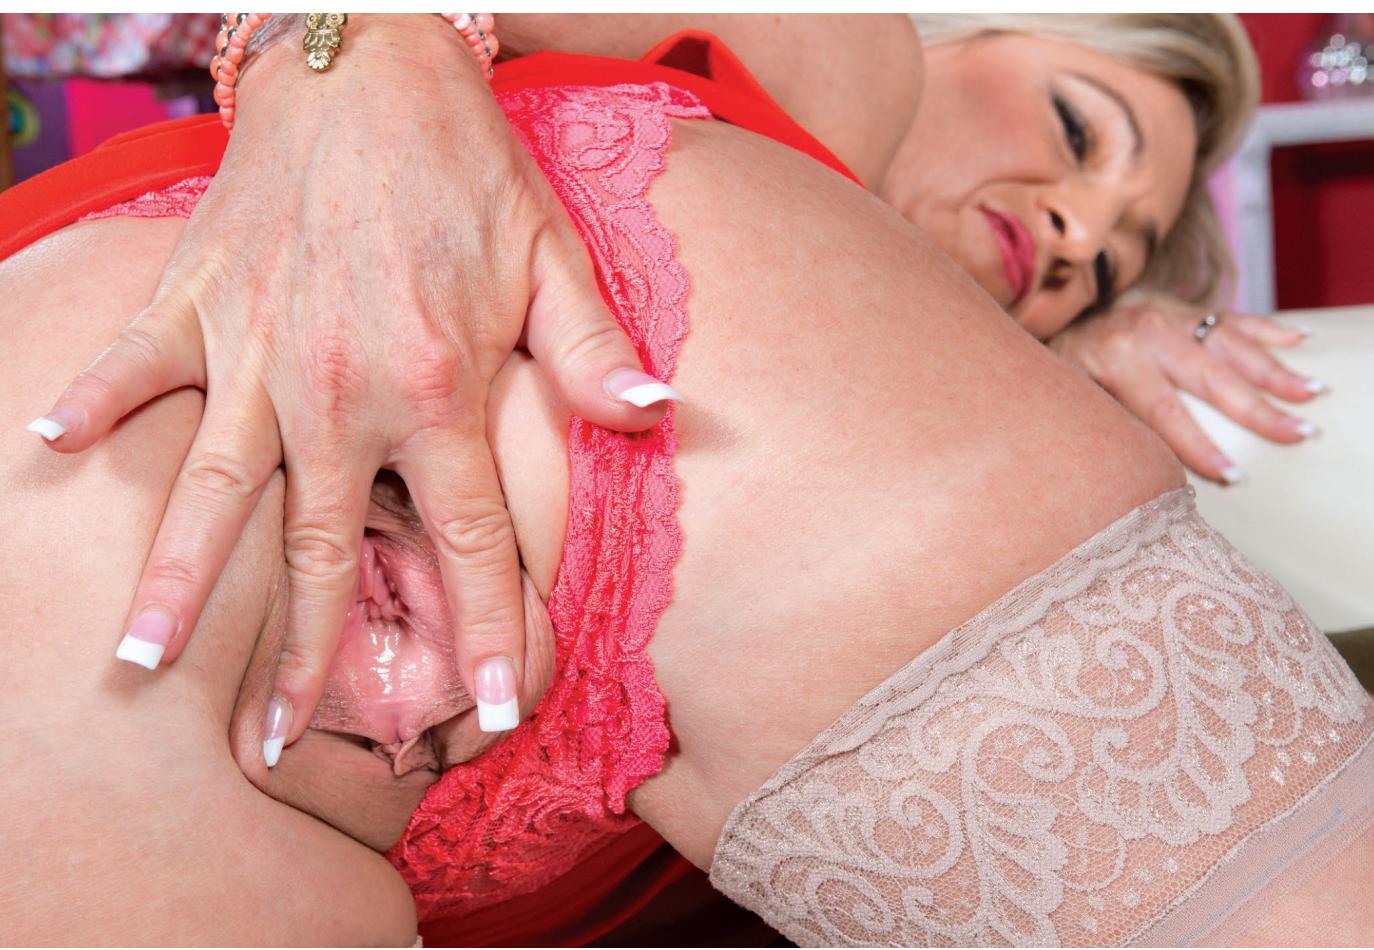

Newcomer Brandi Jaimes is a guy's gal who loves to watch football and NASCAR. Her favorite team is the Dallas Cowboys. Brandi also enjoys outdoorsy activities like boating, fishing and swimming. "Anything to keep me outdoors and in the water. My perfect day would involve being out on my boat naked, fishing, jamming to music, getting licked, sucked and laid. That's how you get some natural vitamin D!" As you might be able to tell, Brandi likes to stay active and keep things interesting. This has also been reflected in her professional life. While she says that first and foremost her main occupation has been being a mother (she's now a grandmother, too), she also worked in the medical field for more than 20 years and has been an entertainer at casinos and gentlemen's clubs. "I just like to have fun. That's why I decided to shoot porn with you!"

This won't surprise anyone who reads our magazine regularly, but Brandi and her husband are swingers. "My husband and I got into that lifestyle a few years ago. The wildest thing that ever happened was at a rooftop party. I was in a sex swing and guys were in a line that went out the door to fuck me. Then there was a time on my birthday where I was by the pool surrounded by many men, and the cum was just flying! This all happened at this one specific resort. We love it there and regularly go for a weekend stay."

For Brandi, the day isn't complete without a good cum. "I feel at least one good orgasm a day is something that is good for the soul," she said. When her husband is away and she has no boy toys to play with, she has a stock of other toys she uses to get off—dildos, vibrators, plugs. "I love wearing butt plugs." And of course we can't forget her fingers. "Sometimes I just like to go the old fashioned way and rub one out with my fingers. I've been told by others that I have magic hands, and I have to agree. I can get myself off with my hands faster than with a toy." When she isn't busy diddling her pussy (and when her husband is in town), Brandi says that she has sex at least three or four times a day. Now that is a truly impressive and insatiable sexual appetite!

"I'm into group sex and gangbangs containing men and women. I like cumshots and facials by many men. It's the best way to keep the skin soft and young-looking. I also enjoy public exhibition, light bondage, being strapped in a swing or bent over in a bench while several guys run a train on me as I'm sucking cock and jerking them off. I also love pics and videos of me, too! I get the most sexual satis-

faction out of deep-throating a cock while getting fucked, and I love squirting until I am soaked. I guess you could say I love to be soaked in general—whether it's with my own cum or that of several other men. Of course I love to be watching, but I also want those watching to join in the fun and get into it however they want to." Basically, Brandi is down to get fucked in every which way!

## CUMMING TO LILLY

Dear 40Something,

Congratulations on the June '14 issue (SP266). Lilly is sensational! Within minutes of getting in the door, I'd got my vibrating pussy toy out, and buried my cock deep in it. Pumping away whilst looking at her was the best. I didn't last too long before I'd shot a huge load of cum into it. So far I've masturbated five times over her. Can't wait to go again. Pass on my best regards to Lilly; she is one lovely, fuckable MILF.—T., Hampshire, United Kingdom

## MARISA'S MAMS

Dear 40Something,

I'd been waiting with bated breath for Marisa Carlo's hardcore pictorial. You see, she is exactly my type. I love busty, slim Latinas, and she certainly fits the bill. I was thrilled to see that she finally fucked in your SP271 issue. And not only did she fuck, but she did anal,

*continued on page 86*

"There is nothing I enjoy more than a man's hot cum shooting inside of me. It just feels right."

The last time we saw Heather, she had blonde locks and a pair of cocks in her hungry mouth and pussy in SP251. She's shooting solo today, and looks a tad different as a redhead, but we think the new hairdo suits her perfectly. "I was already a pretty big nympho before I shot that scene," Heather told us. "But I think shooting that threesome pushed me to another level. I'm masturbating more than I ever have before and fucking more than ever, too." Fiery red hair for a gal with an always-blazing sexual appetite.

What we've always loved about Heather is that she oozes sexuality and femininity. Her photos pop off the page whether she's shooting solo or expertly handling a pair of our largest stunt cocks. Her seductive blue eyes and pouty lips draw you in, and her soft, full 34G tits keep both of your heads standing at attention. She also boasts a curvaceous Coke bottle figure and a plump bum that will leave any man hoping to taste her juices. "I love being called a MILF," Heather said. "That's why I always try to look my best."

Heather's status as one of the hottest and horniest MILFs in Las Vegas has led to quite a few wild adventures. Her favorite encounter? Taking the virginity of an early-20s college student in a motel. Heather says she banged the shit out of him and rode his then-virgin cock all night before heading home in the morning. She fucked him so well that she got an interesting call the next afternoon. "He was wondering if I could de-virginize his friend, too. I told him to send me a picture of the guy, and he was pretty cute. So I told them to come over later that day. I took his friend's virginity in a three-way! I could tell their minds were totally blown with my sex skills."

"Good sex is like a jousting duel," Heather said. "You're sort of competing to see who can get the most pleasure out of the other, but it's also a shared experience where you take pleasure in seeing your partner in ecstasy." We couldn't have said it better ourselves, and we're positive men all over the globe have rock-hard poles ready to joust with Heather right now. Even by our standards, divorcees don't get much hornier than this babe. "I basically masturbate all day. I never wear panties because I like the tingling I get when the fabric rubs my clit."

"Watching a man jack off to me gets my pussy dripping. I just want to lay down and let him shoot his load all over me."

If you haven't visited Las Vegas, you should book a flight soon. Annette, 48, is the second sexy, swinging MILF from the City of Sin featured in this issue, and she actually nicknamed herself "Annette Hotwife." It only takes one glimpse of her pics to confirm that the name is fitting for the mother of two. With her tight bod and perky 34DDs, she's what our friends at our sister magazine, SCORE, would call slim-and-stacked.

Annette likes to keep both her mind and body active. Before popping her modeling cherry with us, her resume included jobs as a banker, baker, wedding cake designer and even Vice President of operations at a software company. In her free time, she keeps her body fit and tight by playing tennis and volleyball and going on weekly hikes on Nevada's many trails. "You could say I'm always on the move," Annette said. "I think that's why my husband and I swing. We like to be kept on our toes. It keeps things fresh."

Of course, Annette's favorite pastime is a good, hard fuck. She says she has sex at least once per day and, on average, seven to 10 times per week, and her taste in men also varies by the day. "I like men of all races, and I'm not too picky when it comes to build, though I do prefer a guy to be at least 5'9", she said. "The biggest

thing is if a man can make me laugh. It's a big thing to me if a guy can just come up to me and say hi, too. I don't bite. Not usually." Annette does admit that she does have a fondness for younger men. She once fucked a 19-year-old Marine fresh out of boot camp. "It was lust at first sight. I rode the shit out of his cock within an hour."

If you do happen to catch Annette at a Las Vegas swinger party, here are a few surefire things that always turn her on. First, she wants to fuck doggie-style. "I love it," she said. "I like a cock deep inside me." Second, shoot your cum inside of her. "Cum dripping out of my pussy is one of the best feelings in the world. A man's cum and my juices make the perfect mix. I always cum as soon as I feel him cumming."

Here's another anal shot of Marisa for reader V.V.

too! First, I must say that all the photos of her getting her pussy fucked are great. They are all clear penetration shots with the cock nice and deep inside of her. Then once I got to pages 30 and 31 I almost spilled my load. It was a whole spread dedicated to her first anal photo in this pictorial. Wow! The look of ecstasy on her face is obvious, and that cock is buried nearly balls-deep into her asshole. Then we see her going back to pussy for one photo, and then a magnificent anal creampie. We don't see enough of those! A regular creampie is wonderfully filthy, but a load of cum seeping out of an asshole is truly a dirty treat. Seeing all that creamy jizz leaking from her backdoor finally sent me over the edge, and it was then that my cock erupted with an equally thick load as the one shown in her pictorial.

I loved seeing Marisa in this horny pictorial. It would have been great if we could have seen some pictures of her using those big sweater puppies to squeeze a cock. Such nice, juicy tits look (and feel) great when they're wrapped around a throbbing prick. And I don't want to come across as too much of a complainer, but one or two more anal photos would have been good as well. Your MILFs are always so good at anal, us readers just want to get as much of it as possible! But overall you did a great job with this pictorial. Thanks again.—V.V., via email

Now, every man can know the power of having a huge cock!

## TESTIMONIALS

**“The results are magnificent in the bedroom.** Wifey now complains if I do not use KY or Astroglide.”

**“The gains seem to be permanent.** I can quit working out for weeks and still **have a fat chubby.**”

**“I have to say I have only used this for a week or so and I have been bigger and thicker after using the bathmate a few hours before sex.”**

**“My girlfriend is just blown away by the new me. I can't keep her off my big dick!”**

# INCREASE YOUR PENIS SIZE

## HOW IT WORKS

- This is not a penis pump. This is not a sex toy. The Bathmate uses hydraulic pressure to expand the blood vessels and tissue in the penis. With a thorough regimen of daily use, results gained will continue to develop.
- Water creates a far more powerful vacuum than air, which in turn leads to greater power to increase penis size and to exercise the penis. Warm water develops blood flow while cushioning and lubricating the penis as it expands to fill the tube.
- Temporary gains in length, girth, erectile strength and stamina will occur after first use. These results may range from 0.25" to 1.00" in girth. Length will vary with participant, but all gains improve with time.

"My asshole aches to be filled by a big, hard, throbbing cock."

Ah, so it's the ol' MILF-watches-the-pool-boy-and-then-fucks-him scenario! Something we never get tired of, mostly because it's reflective of reality. A recent survey showed that 79 percent of pool boys have fucked one of their clients, and in 63 percent of those cases, the client was a woman over 40. Just kidding. We made that up. But it could be true. This time, 48-year-old divorcee Crystal doesn't invite the pool boy in for a drink. He looks through the window and catches her playing with herself and invites himself inside.

"So, you're my pool boy, I take it," Crystal says. "I would like some of what you have in that package. You work for me, so I'm really horny, and I want you. I want your hard cock." Now there's an offer that's impossible to refuse. After all, the pool boy wants that tip. Actually, what he wants to do is stick the tip of his dick—and the rest of it—in Crystal's mouth and pussy. Oh, yes. Her asshole, too. "That's what I want," Crystal moans as the pool boy drills her asshole. "I want it so hard." And who really cares if the pool never gets cleaned?

Crystal has been told that she should do porn before. "I'm a very sexual person and people pick up on that. Plus my friends know about my antics. They know I like to pick up all kinds of men, younger and older, and fuck them in the backseat of my car. I'm very open. I'm the first one to take my top off at a pool party. I'm not shy at all about my body." She's not shy when it comes to spreading her twat while a cock fills her ass, either. That's why our models are some of the raunchiest and most uninhibited around. Crystal is proud to be part of that club. Now that she's a porn star sucking and fucking on-camera, she plans to have a viewing party for those who want to see her videos. "I might invite a few people over so we can watch them together and maybe fuck."

"I love anal sex," she said. "It's so intense, and it feels different from getting fucked in the pussy. I also love the pressure of a big, hard cock in my mouth. I love the taste of cum. I knew there wouldn't be any cum dried on my face when I got back to my hotel room because I was going to swallow it all." As you can see to the right, some of the cum made it onto her face. "As I would expect it to," Crystal informed us. "After fucking my ass like that I knew his cock was gonna spray like a geyser. I had to make sure none of it got into my eyes." But even though her cheeks got glazed, Crystal made good on her promise and was sure to get every drop of jizz into her mouth. "It was delicious. I've become such a cum slut. I can never let a drop go to waste. It has to go straight down my throat."
